

iMin D4

DESKTOP POS

- High printing speed of 250mm/s with the built-in 80mm Seiko core printer
- Durable 8mm die-cast aluminum body bracket and base, able to withstand any accidental knocks and spills
- 3D structured light camera supports payment by facial recognition and customer relationship management
- Multiple interfaces compatible with cash drawers, scanners, printers, and other accessories simultaneously

The iMin D4 is a high-performance desktop POS with up to 5 customisable screen size combinations to serve your customers better. A powerful device for businesses with high volume of orders and complex accessory requirements.
